Get instant access to 25 ready-made reports for SAP SuccessFactors Employee Central Payroll (ECP).

Our Payroll Pack includes 25 unique Payroll analysis reports from the SAP-certified payroll reporting solution, Query Manager™*.

Benefits:

25 ready-made, automated Payroll reports for Payroll reconciliation

Customized to your configuration: a services engagement is included

Fast, efficient results

Global Payroll content

A best-practice, SAP-certified solution

User-friendly reports with easy access and accurate output

Access to our collaborative online portal Client Central for knowledge-sharing

Training and services included.

The technical stuff

No technical skills are needed to run these reports! You can avoid time-consuming manual workarounds, and you don't need to rely on developers or IT to create reports. The Payroll Pack is installed via a simple SAP transport.

Get Payroll reports designed by the best Payroll Consultants in the business

The set includes invaluable reports which solve your existing payroll challenges. Reports include:

- Payroll Gross to Net Reporting
- Payroll Variance Reporting
- Personnel Administration Audit Logs
- Employee Payroll Postings
- Master data checks, including missing and duplicate bank details and missing addresses.

## Get reports customized for your company

Our Payroll Pack includes a services engagement with your regional EPI-USE Labs consultant, who will customize the reports for your company.

Get organized

We'll help you to work smart, save time, and get your balance back.

The Payroll Pack is designed for anyone using SAP SuccessFactors Employee Central Payroll. Clients do not need to purchase the Query Manager reporting solution to purchase the Payroll Pack, however the Payroll Pack is also available for purchase for existing Query Manager clients.

As a global software solutions and managed services company, EPI-USE Labs helps you to maximise the performance, management and security of your SAP® and SAP SuccessFactors® systems. Our clients tell us every day how we have transformed their business operations. Contact us to find out how we can help you solve your business challenges.
